

From the Editor's Pen

As I present the 16th Edition of our school's newsletter – Peace Herald, I'm honoured to reflect on the eminence of our institution. Our school excels in all the fields be it academics, character-building or co-curricular activities. Thanks to the visionary leadership of our honourable Chairman, Professor S.C. Jain, worthy Director, Mrs. Usha. S. Jain and Principal Ms. C.K. Jeeja. Their constant guidance and motivation, along with the committed efforts of our dedicated teachers, ensures that every student is nurtured to reach his/her full potential. My experience as an Editor has been incredibly rewarding, witnessing the unwavering commitment to excellence that defines our school.

The current edition unfolds the magnetism that Peacians experienced during the Bagless days, a step towards Holistic Development, helping students carve a niche in the cut-throat competitive world and making them future ready.

School Leaders Commissioned Investiture Ceremony

On 23rd April, 2024 the solemn ceremony of the formation of Student Council was performed. The big event – the Annual Investiture Ceremony was held at Peace Public School to administer the oath to the newly nominated Student Council members of the Junior and Senior Wing. The Ceremony began with a mellifluous melody followed by eye catching dances. Thereafter, the newly elected members of the Council marched in with their sashes straight and hearts filled with pride before being honoured with the badges. Our respected Principal Ms. C.K. Jeeja carried on tradition and administered the oath to the new Student Council who vowed to uphold the school's standards to the best of their abilities. Our honourable Chairman Sir Prof. S.C. Jain and other dignitaries were in presence of the protruding service. The newly elected Head Boy, Rehbar Pratap Singh and Head Girl, Avneet Kaur presented their enthusiastic speeches thanking the distinguished guests for gracing the occasion with their esteemed presence and congratulating the newly formed Student Council. The event was a remarkable and inspiring occasion leaving a lasting impression on all those in attendance.

Nature Walk

On the Move in the Grove

Students embarked on a nature walk through a vibrant field. They observed various leaves noting their intricate veins and diverse shapes. Moreover, they classified proper and common nouns and described their surroundings using different adjectives. Thus, through this nature walk students deepened their knowledge of botanical diversity and language.

Bag Less Days:

A NOVEL SHIFT FROM ROTE LEARNING

In a bid to shake up the traditional school days, our school has adopted a new initiative, in the form of observing 'No Bag Days' as proposed by CBSE. These days aim to refresh students' routine by eliminating the usual burden of heavy backpacks filled only with textbooks and notebooks. Instead, students are encouraged to participate in activities that emphasise practical learning. The absence of bags opens the door to a variety of engaging and interactive sessions meticulously designed to stimulate overall learning. For instance, developing skills such as problem solving, tinkering and critical thinking, high order thinking and polished communication skills.

Collaboration and Peer Assessment :
TUG OF WAR – Strength and Teamwork

Enhancing Profound Productivity

Capacity Building Program on Health And Well-being

A successful 'Capacity-Building Program on Health and Well-being' was held under the 'Hub of Learning' initiative. Faculty from various schools participated in it. The resource persons from the host school covered topics such as Nutrition, Mental and Social Well-being, Physical Fitness, First Aid, and General Health.

The main highlights of the session were the demonstration and presentation by students of the yoga postures and the hands-on session of the 108 ambulance service and its facilities.

Workshop On Personality Development and Grooming

A workshop was conducted by Colonel Abhishek, a distinguished alumnus of the National Defence Academy and the Indian Military Academy. His insights proved invaluable. He brought a wealth of experience to the session and adeptly addressed the students' queries and questions, leaving a lasting impact on all attendees. The aim of this workshop was to equip students with self-awareness, and confidence, enabling them to reach their full potential and become well-rounded individuals.

Workshop on New Traffic Regulations and Penalties

An illuminating workshop on new traffic regulations and penalties was conducted by ASI Harpal Singh and Mr.

Manmeet Singh for the students of Peace Public School to brief them on the latest changes in traffic rules and regulations. They urged the students to follow the rules earnestly and also highlighted the strict penalties and stringent actions enforced for violations.

To emphasise the serious consequences of negligence, they showed videos of accidents caused by reckless behaviour.

The motive of the workshop was to raise awareness among students about the importance of adherence to traffic rules, and potential repercussions of non-compliance.

An awareness program was held on 19th April, led by Kavita Singh from 'Parakashtha Foundation' a voluntary organization which focuses on malnutrition in pregnant women and newborns, as well as child education for the underprivileged.

The program included an address on good dietary habits, healthy living, and the dangers of tobacco. Awareness forms were distributed for students to share with their parents and neighbours, emphasizing early disease symptoms and preventive measures.

Celebrating the Golden Harvest – *Baisakhi*

On April 12th, the students of Pravesh Vatika I and II marked Baisakhi with deep reverence by visiting the Gurudwara Sahib. Donned in their best traditional attires, they engaged in solemn prayers and immersed themselves in the spiritual ambience. Following the rituals, they partook the sacred Langar, embracing the values of equality and humility. The celebration was a profound experience, enriching their understanding of faith and community.

Dr. B.R Ambedkar Jayanti

To show our gratefulness for Babasaheb's vision and dedication towards building a fair, inclusive and just society, Ambedkar Jayanti was celebrated with presentation of a vivid Nukkad Natak. It was indeed a magnificent form to display equality, compassion and a platform to showcase that untouchability has no room in today's society. The exemplary Natak was followed by inspiring speeches and presentations by the students, which eventually instilled the qualities of equality and humility amongst the pupils of the Institution.

Buoyant Shindig – *Teacher's Day*

Teachers' Day was celebrated with great exuberance and vivacity. The day began with a special assembly to mark the occasion that was followed by a marvellous function, where students dedicated heartfelt songs and touching words for their mentors.

The event featured vibrant dance performances and delightful games. The celebration came to a crescendo after a day packed with fun that included dancing, singing and of course relishing a sumptuous meal.

JANMASHTAMI

Celebration

To mark Lord Krishna's birthday, students of Peace Public School reenacted the story of Krishna's birth and Kansa's errant behaviour. The event was brought to life with the enchanting performances of young children playing the roles of Kanha and Radha.

Celebration for the Epitomes of Kindness, Love and Strength

- M – Miraculous
- O – Optimistic
- M – Marvellous

Peace Public School's, Mother's Day Celebration was a sublime affair, where elegance and emotion intertwined seamlessly. The esteemed Chairman of the institute, Professor S.C. Jain graced the occasion, imparting pearls of wisdom to an enchanted audience. The day unfolded with mesmerizing dance performances and a glamorous Ramp Walk, where mothers and children showcased their finesse. The celebration replete with music, games, and heartfelt moments, culminated with inspiring words from Principal Ms. C.K. Jeeja, leaving all in attendance with cherished memories.

NURTURE THE NATURE

Protect Mother Earth

On 22nd of April, Earth Day was celebrated with great passion and pride by our tiny tots. The little ones seamlessly displayed their fearless enthusiasm and love for Mother Earth by reciting dulcet poems and spreading awareness about environmental concerns. The kids took part in a Plantation Drive with an unflinching commitment of a greener and sustainable Earth. They designed pleasing posters and placards, raising slogans to protect and preserve our nature. The little guardians of Mother Earth took out a cycle rally encouraging everyone to unite for a healthier planet and a greener and cleaner environment.

Expressing Gratitude on May Day

Peace Public School marked Labour's Day with a poignant celebration, where students eloquently expressed their appreciation for the Class IV employees of the school through captivating poems and a vivacious skit. The event was a heartfelt tribute to the often-overlooked contributions of the school's Class IV staff, who were honoured with reverence and gratitude. The students' performances not only highlighted the significance of labour but also embodied the school's commitment to fostering empathy and respect to one and all. This day of recognition served as a profound reminder of the dignity inherent in all work, leaving an indelible impression on everyone who attended.

Peace Karatekas win Laurels at 23rd Nestlé International Open Karate Championship in Kuala Lumpur, Malaysia. Jasnoor Kaur won the hearts by clinching the Silver Medal while Vardaan Sharma made his mark by bagging the Bronze Medal.

Stellar Performance of Akshat Jhanji at Dubai International Championship
The Dubai International Karate Championships concluded on a high note, with participants from around the world, competing in the esteemed competition. Among the standout performers was Peace Public School's prodigy, Akshat Jhanji, who clinched the gold medal in the under 15 years category, demonstrating splendid prowess.

Jasnoor Kaur bagged a Silver medal at the 8th International Karate Championship, held at Netaji Indoor Stadium, Kolkata.

POOL Party

Yoga Day

Fitness both mental and physical is a must have, to mark the International Yoga Day here's a glimpse of asanas by the fitness freaks of Peace.

Magic of Maths

(Maths Fest) Brainstorming..... mind boggling exercises keeping everyone agile and on the toes. The Spark of Mathematics electrified the auditorium with a thrilling event that included the very innovative Maths dance, a quiz and the marvellous ramp walk.

MUN and Language Prowess

A two day programme: Model United Nations (MUN) was hosted flawlessly by our renowned institute. MUN was extended over both the days with the English Fest adding to the vibrance of the event on Day two. The event was graced by the eminent Secretary of Sahodaya Ludhiana (West), Mrs. Amandeep Kaur Bakshi. It truly left an indelible impact on the spectators.

EXPLORING... the Unexplored

Tourism Club of Peace Public School organised an engaging event, calling the Explorers – those who love travel, adventure challenges and are seeking information for new destinations. Our budding travellers have a storehouse to satisfy all your queries.

STUDENTS EXHIBITING their SCIENTIFIC TEMPER

A Science Model Making Competition was organised for the VII and VIII graders. The little scientists exhibited their knowledge of the subject to the best of their capability. It was truly a panorama of scientific proficiency.

Educated! Enriched! Impeccable!

Little Things She Adores

She falls in love with little things,
the moon, the stars and the paper rings.
A small puppy on the roadside,
the sweet aroma of the blooming flowers
and green trees in the season of Spring.
The gleaming face of a baby,
the odor of brewing coffee and
a butterfly with lively wings.
A handwritten letter, a pile of books and
box of cherries that everyday her father brings.
A reminder that she's beautiful,
a word of appreciation and
that every night her mother sings.
The little things which bring an angelic smile on her face
that is so pure and so expressive of love and pain.

Manveer Rai

SUBLIME STITCHES IN TIME'S TAPESTRY

In the hustle and bustle of life's chaos,
We often forget we need to pause,
To find joy in the little things,
That each and every day brings.

The sun rising in a painted sky,
A child's laughter passing by,
The sweet scent of blooming flowers,
Moments that fill our hearts for hours.

Being happy with ourselves,
Embracing our flaws and selves,
Knowing that we are enough,
And that self-love can be a lil tough.

Never giving up, always pushing through,
Even when the skies turn blue.
Far in every setback, there's a lesson,
A chance to grow and change notions.

Always wearing a smile on our faces,
Even in the darkest of places,
Because happiness is a choice we make,
No matter the path we take.

So let us cherish these simple delights,
And bask in life's beautiful sights,
Finding joy in the little things around,
In the happiness that we've found.

Gurmanjot Kaur, XI Science

The Enclosure

The silence here screams aloud,
to the slouching crowd around.
I wish to speak up for myself,
but the horrified me wanna hide, under a shelf.
Pitter-patter the rain falls,
and for a second my heart halts.
I see a rainbow glowing in the sky,
'N in a minute the land goes dry.
It seems like ice melts to freeze again,
Leaves shed to grow again.
Thus, everything perishes to begin again...
Everything perishes to begin again...

Avleen Kaur Bhatthal
XI Science

A Nature Stroll

Walking along nature,
Pupa converting to creature,
Butterflies have a beautiful feature,
All are God gifted creatures.
Clear and blue sky, birds flying high,
all animals getting shy,
why to say nature bye-bye.
Nature is free, the place I see,
Around the flying bee I love the sea,
The nature it's free.

Gurleen Kaur Bhatthal
8th- Jasmine

The Beautiful Nature

Come with me to see the beauty of nature
The nature that God gave us
Feel the beauty of nature
The birds chirping on the trees
The slowly blowing pleasant breeze.

Take a moment! Put your worries behind
Listen to nature composing the clatter of leaves
The sound of whispering of the trees
That sends the mind into a dream.

The luster of sunrise tells us that
every day is a new day
The luster of sunset tells us that
it is the end of a day
Nature around us is a wonderful place
Thank you God for the nature that you gave.

भ्रष्टाचार मुक्त भारत

लौभ, तृष्णा और स्वार्थ जब करता मानवता को आत्म विभोर
शिथिल पड़ जाता विवेक मनुष्य का, फन फैलाता अनैतिक चोर।
व्यथा यही है जन-जन में, व्याप्त है भ्रष्टाचार कण-कण में।
दुविधा है कौन आए अखिल, कैसे बने कोई जागरुक प्रतिपल?
यह क्षण नहीं चिंतन मनन का, यह क्षण नहीं आत्मा मंथन का।
क्यों सोचे कल क्या होगा? भौतिक समृद्धि सुख मिले न मिले।
सब को मिल कर कदम बढ़ाना होगा,
भारत को भ्रष्टाचार मुक्त बनाना होगा।

मृगांशु कुमार सिंह, 12वीं विज्ञान

बुजुर्ग

जिस घर में बुजुर्गों का सम्मान होता है,
उस घर में स्वयं भगवान होता है।

जिस घर में बुजुर्गों का अपमान होता है,
वह घर पक्का शमशान होता है।

बड़े बुजुर्ग अनुभव की खान होते हैं,
नहीं हैं बड़े जहाँ वहाँ आँधी और तूफान होते हैं।

जो माँ-बाप की सेवा करते हैं,
वे स्वयं राम कहलाते हैं।

जो माँ-बाप की सेवा करते हैं,
उन्हें प्रभु के दर्शन सुबह-शाम होते हैं।
