English Poems

Let's Build a Rocket

I am building a Rocket,
as soon as I am done,
i am taking my friends,
on a trip to the Sun.

But what do you mean
that the Sun is too hot?
Oh well, I suppose
I will just pick a new spot.

I am building a Rocket,
I am finishing soon,
and I am taking my friends
on a trip to the Moon.

But what do you mean
that the Moon has no air?
Oh well, I suppose
I will just pick a new spot.

I am building a Rocket,
It is going to fly.
I am taking my friends
way up high.

But what do you mean
When you ask how will it land?
This Rocket is harder
to build than I planned.

Nicole Sharrocks

A Child's Song

I am thankful for the sunshine bright,
For the rain and for the stars at night;
I am thankful for each flower and tree,
And all the beauty that I see.

I am grateful for our singing birds,
And for the mother's gentle words;
I'm grateful for kind friends and true,
Help me a good friend too.

Alice F. Green

The Rainbow

Boats sail on the rivers,
And ships sail on the seas;
But clouds that sail across the sky
Are prettier than these.

There are bridges on the rivers,
As pretty as you please;
But the bow that bridges heaven,
And overtops the trees,
And builds a road from earth to sky,
Is prettier far than these.

Christina Rossetti

If I Were

If I were a queen,
I'd rule a mighty land.
If I were a princess,
I'd take a prince's hand.
If I were a soldier,
I'd fight a mighty war.
If I were a hero,
I'd be the best they ever saw,
If I were a dancer,
I'd dance with such grace.
If I were a runner,
I'd win every race.
If I were an actress,
I'd take part in a play,
For I can do anything,
No matter what you say.
